WHY?

- God spoke:
“Let us make human beings in our image, make them reflecting our nature
So they can be responsible for the fish in the sea,
the birds in the air, the cattle,
And, yes, Earth itself,
and every animal that moves on the face of Earth.”
- God created human beings;
he created them godlike,
Reflecting God’s nature.
He created them male and female

Genesis 1:26-27 (MSG)

Remember whose **“Image”** they’re created in.
