

Fault Finding... SYMPOSIUM

Where you are welcome too...?

**While attending...
you're encouraged to do the following ...?**

How would you respond to that invitation, *would you go?*

Fault Finding...

Why do we do that and feel justified in doing so?

What is Jesus view on this fault finding pursuit?

DO NOT JUDGE

Matt 7:1

DO NOT JUDGE

“Don’t pick on people, jump on their failures, criticize their faults—unless, of course, you want the same treatment.”

That critical spirit has a way of boomeranging.

FAULT-FINDING

- **WHY...** v3
- **HOW...** v4
- How do respond to... **“YOU...”** in v5

INVITATION...

“Fault -Finding Symposium”

So how do you respond?

Too busy dealing with my own flaws/ faults

Sorry I won't be attending as I neither want to be judged or be accused of been a hypocrite.
