

"The **task of every generation** is to discover in which direction the sovereign Redeemer is moving, then move in that direction." Jonathan Edwards

WHAT'S ANOTHER YEAR?

I've been **waiting** such a long time,
looking out for you
But you're not here
What's another year?

I've been **waking** such a long time,
reaching out for you
But you're not near
What's another year?

What's another year
For someone who's lost everything that he owns?

What's another year
For someone who's getting used to being alone

I've been **praying** such a long time
It's the only way to hide the fear
What's another year?

What's another year
For someone who's lost everything that he owns?

What's another year
For someone who's *getting used to being alone*

I've been **crying** such a long time
With such a lot of pain in every tear
What's another year?

What's another year?

For someone who is getting used to being alone

What's another year?

For someone who is **getting used to being alone**

What's another year?
