

Time & Space

No one has ever seen God.

But if we **love** each other, God lives in us, and his **love** is brought to full expression in us

1 John 4:12 (NLT)

Time & Space

When my head is in a place that has no face
who or what do I see?

A soul in a dark hole
I tell myself
just me **ALONE** in this place.

When that face has no space
for my face, who or what does it see?

Time and its space is in the race,
it has no time to see.

Hold on for the ride
for time is willing to hide.

Let's **HOPE** I'm not tired
to see time as hired.
Signed. Myself, face, time and space.

Time & Space

Being included and excluded at the same time .

When my head is in a place
that has no face
who or what do I see... 

*Being included and excluded
at the same time .*

A soul in a dark hole
I tell myself
just me **ALONE** in this place.

*Been physical present.
but absent in every other way*

Time & Space

When that face has no space
for my face,

who or what does it see.. 

It sees me as faceless

Time and its space is in the race,
it has no time to see.

No slowing down for
anything or anyone ...

Time & Space

Included but excluded at the same time

Hold on for the ride
for time is willing to hide.

Acceptance...

*people are **not** going to give me
their time*

Let's HOPE I'm not tired
to see time as hired.
Signed.
Myself, face, time and space.

Isolated

*my time my face my space
has no where to go*
