

Stop The World and... ?

Stop The World and... let me off

Stop the world and let me off

I'm tired of going round and round

I've played the game of love and lost

Hey stop the world and let me off.

My dreams are shattered don't you see

That you no longer care for me

I miss the wonder of your kiss

How could you leave me here like this?

Hey stop the world and let me off

I'm tired of going round and round

I've played the game of love and lost

Hey stop the world and let me off.
